LOCKYER
FRUIT AND VEGGIE
COOPERATIVE LTD

Vision, Mission & Values

VISION

To be the majority shareholders in Lockyer Valley Foods maintaining it Australian owned. To support Australian fruit and vegetable producers, initially in Queensland, to improve their growing harvesting and production of products for a clear and profitable future. that members of the cooperative see their rewards by being able to consume whenever they want, Australian grown, Australian processed and Australian owned fruit and vegetables.

MISSION

To have 20,000 Australians become members of the Lockyer Fruit and Veggie Cooperative limited in the next 12 months.

VALUES

Community Focused

Working for the sustainable development of the community by policies and practices approved by members.

Promoting Education, Training and Information

Providing elected representatives, employees and members with education and training to contribute effectively to the development of the cooperative. Informing the general public and opinion leaders about the nature and benefits of the cooperative.

Promoting Research and Development

Using funds raised through the cooperative to support farmers and growers to develop better soil, improved crops and add value to the suppliers and the cooperative.

Knowledge Empowerment through Sharing

Use the participation in the cooperative and other relevant bodies within Australia to share any findings which can enhance and improve their own organisations.
